

Drug & Alcohol (Fit for Duty) Policy

Zero tolerance — to be signed and returned to the Company

Employee Name: _____

Designation: _____

Date: _____

The Company operates licensed premises and serves the public. To protect our guests, our team, and our licences, the Company maintains a strict zero-tolerance policy on alcohol and drugs on duty. This policy applies to all employees and forms part of your terms of employment.

1. Zero Alcohol & Drugs on Duty

- You must not consume, be under the influence of, or be impaired by alcohol while on duty or on Company premises. Zero alcohol on duty is an absolute rule.
- You must not use, possess, be under the influence of, sell, or distribute any illegal or intoxicating drug at any time while on duty or on Company premises.
- If you are taking prescribed medication that may affect your ability to work safely, you must declare it to your manager in advance.

2. Testing — Breath Alcohol & Drugs

As a condition of your employment, you consent to alcohol and drug testing as follows:

- breath-alcohol (breathalyser) testing may be carried out before, during, or after any shift, whether at random or where the Company has reason to believe you may be unfit for duty;
- drug testing may be carried out at any time, whether at random or for cause;
- testing will be carried out reasonably and with due regard to your dignity, and results will be kept confidential;
- refusal to submit to a test, or any attempt to tamper with or interfere with a test, will be treated as a positive result and as serious misconduct.

3. Consequences

If you are found unfit for duty, record a positive test, or refuse a test, the Company may remove you from duty immediately (without pay for the remainder of that shift) and take disciplinary action up to and including termination of employment. Being unfit for duty on licensed premises is treated as gross misconduct.

4. Acknowledgement & Consent

I confirm that I have read and understood this Drug & Alcohol (Fit for Duty) Policy. I consent to breath-alcohol and drug testing before, during, or after my shifts, and at any time, as set out above, and I agree to be bound by this policy.
